

Weekly Energy News, October 25, 2012

Compiled by the Region 8 Librarians, ASRC Primus contractors

Note: Many newspapers are beginning to adopt subscription policies to govern access to their online editions. In some cases, this involves the creation of a free user account; in others, paid subscription is necessary to view more than a set number of articles (usually 20) per month. If you have difficulty accessing the news articles you need, please contact the library (library-reg8@epa.gov) for assistance.

Briedis questions AGNC's stance on Thompson Divide
